Jerry:

Bastrop County is still reviewing the proposed 381 Agreement that you sent. The budget process has consumed them over the past two months. I hope they will be able to get me comments within the next two weeks or so. (A good portion of the Commissioners Court was at the County Judges and Commissioners Conference in Corpus and the Auditor is going to the Auditors conference. I will be at NABL next week. The County asked me to advise you that there is interest in this project, but the various members of the Commissioners Court have not had time to devote their attention to the proposal.

I have asked the various members of the Commissioners Court and the Auditor to get back to me with their concerns and proposed changes so that I can incorporate them into a response.

Please let your clients know (especially Mr. Carpenter) that a response will be forthcoming.

Tom
