Hey Lisa,

We're tracking the airport bill possibilities and thought I would pass this one to you. Take note when reading the bill that the airport would be tax exempt from State, County, municipal, etc. I'll keep you posted and updated on any news regarding the bill. I've asked Hondo to pass the word to Lee, and EISD. Please keep the Judge in the loop and if you have any questions let me know.
Sincerely,

Johnny

Johnny;

The chairman of the House Transportation Committee, Rep. Joe Pickett, requested another Fiscal impact from the Legislative Budget Board...

Take a close look at the area that is bracketed...The actual airport itself will not be on the school district's tax roll...any development that is around the airport will be, but the airport itself is not...

I don't know where he's getting the \$14 million he told the Elgin ISD they stood to gain from the project, but it's not the airport itself...

Think I need to get this in Dildy's hands?
