Judge, and Commissioner;

I wanted to check on your availability for this Thursday meeting with the representatives of the Governor, Lt. Governor and Speaker and the teams from the Governor's offices of Aerospace and Aviation and the Economic Development Bank. In previous meetings the Governor and Lt. Governor have asked us what they can do to help us get the Central Texas Airport project developed. We will discuss the Bill that we presented but will explore other available financial tools the State has available to assist us. Please let me know if you can attend.

Best regards;

Jim Carpenter

President

Jim,

Per our conversation, we have a meeting set with representatives from the Governor's Office, the Lt. Governor's Office and our Office of Economic Development as follows:

10/21/2010

Date: Thursday, February 26, 2009

Time: 2:15 p.m.

Place: 221 E. 11<sup>th</sup> Street, Fourth Floor (tell the security guard you are here for a meeting in our office)

I expect to get a confirmation from the Speaker's Office as well.

Because these guys are pressed for time during the legislative session, they would appreciate a 30-minute briefing much more than a longer one!

We have a projector if you need to plug in a laptop. If you need anything else, let me know.

See you next week.

Larry
