Re: Request for Airspace Determination Extension for Central Texas Airport, Elgin, Texas
2010-ASW-354-NRA

Dear Mr. Boles;

We would like to formally request an extension to the existing Determination of Landing Area Proposal dated May 12, 2010 for Central Texas Airport located in Elgin, Texas, 2010-ASW-354-NRA.

We look forward to meeting with you in person or by telephone and discussing any additional information or questions that you may have.

We thank you for your assistance in this matter.

Best regards;
